Your choice of three wines – three reds, three whites, three champagnes/sparkling or a special combination can be tailored to your liking. We can add a theme to your tastings (Spanish Reds! Summer Afternoon Whites! Yummy Sparklers!) based on your preferences and interests. Enjoy the wines with a variety of domestic and imported cheeses. To delight the palate, enjoy Italian olives, dried fruit, almonds, grapes and artisan crackers and breads. Beautifully and artfully presented. Wines poured at tasting table and personally for each guest as they mingle.

Rates vary based on your selection of wine and cheese. Two servers for three hours. Entry level Vino & Fromage Fête starts at \$75 per guest, with a minimum of ten people.

Game Day!

You provide the sports entertainment and adult beverages, we provide the grub. Have a house party and watch the big game at home. Let us handle the food and beverages for you. We will cook and serve a sport's fan size feast of chili, and/or a feast of buffalo wings, jalapeno poppers, french fries loaded with cheese and toppings, mini sliders, cheese sticks, onion rings, and other deep fried delights. You don't have to worry about set up, serving or clean up. Host is free to enjoy the game while our very fun waitstaff provides serving and waitressing, plus cleans up the mess you are encouraged to leave. Plus, people can be safer because there is no driving to get grub or suds. Everything comes to you for the most rockin' game day party ever.

Two servers for two hours. \$49 per guest, with a minimum of ten people.

La La Ladies Night

For Bachelorette Party...Divorce Party...or Just Because!

Let our staff happily serve the ladies fancy martinis and fetch hors d'oeuvres at the snap of a well manicured finger. Menu can vary based on your personal styles, tastes and budget for the party. You provide the adult beverages and we serve them up.

Add some fun – talk to us about adding at home services like massages, manicures, pedis, facials, or any other ideas your vixen hostess can think of. Add this to book club or bunco night for a unique treat!

Remove The Stress, Add Flair and Creativity!

Event Planning

Traditional party and event planning. We'll do as little or as much as you want us to – so you can be as involved (or not) as you like. We'll do all the coordination with vendors (like DJ's, caterers, florists). We work with you to create a theme, ideas for decorations, favors, décor, invitations, whatever is needed! Our approach is to take a little bit of fantasy and add a big dose of reality to the creative aspect of your party. And, we help you write a budget and stick to it. In the **BASH** Party Plan we will give you an estimate of hours involved based on your vision – you can decide what is most important to you, and you know up front what your costs are. *\$60 per hour*

Talk to us about adding on a barista (a **BASH** staffer that prepares and serves espresso-based coffee drinks.) and we'll also offer hand crafted on site cappuccinos, lattes, and espresso. (Real ones! Not ones out of a mix!)

Talk to us about adding on some adult touches to the coffee bar – think liqueurs and whipped cream toppings for delicious coffee drinks. Talk to us about adding or changing this À la carte Menu item to include herbal teas and honey.

\$10 per guest, minimum of 20 guests, service for two hours.

Cigar Bar

A nice addition to your party if smoking is allowed inside or outside the venue. We will set up a classy help-yourself cigar bar for your guests to enjoy.
